

CORPORATIVE PROFILE - GIPSA SA

GIPSA SA: Empowering Energy Excellence through Specialized Services

GIPSA SA, a prominent member of the TOPSON Group, has been a pioneering force in the Angolan and international oil sector since 2014. Our journey is marked by a commitment to excellence, innovation, and a wide range of services designed to meet the dynamic needs of the energy industry.

LEADERSHIP

ANTÓNIO HENRIQUES DA SILVA

FOUNDER AND CEO OF GIPSA SA

In 2013, Mr. António Henriques da Silva established TOPSON SA. A forward-thinking professional and entrepreneur, he boasts over 27 years of diverse experience across public and private sectors. With intellectual prowess and expertise in technology, innovation, entrepreneurship, and business management, António Henriques da Silva has successfully propelled TOPSON SA into a prominent position within Angola and Africa. Leveraging his extensive experience and strategic vision, he navigates the evolving regional and global landscape, seizing multiple opportunities for economic diversification in this emerging scenario.

MISSION:

Guided by the values of integrity, transparency, security, and efficiency, GIPSA SA aspires to be the reference service company in the energy sector.

VISION:

Our vision extends beyond borders, aiming for strategic collaborations that deliver cutting-edge products and services globally.

OPERATIONAL PRESENCE:

Operating in Angola and Congo Brazzaville, GIPSA SA is poised to expand to Namibia and Gabon in 2024. Our geographical presence positions us as a key player in the international energy landscape.

1. DRILLING SERVICES:

GIPSA SA's drilling services offer a range of high-quality drilling equipment and downhole tools for rental, including:

- **DUMB IRON:** Essential for drilling operations.
- **DRILL COLLARS:** Provide weight to the drill string.
- **HW DRILL PIPE:** High-strength tubes for deep drilling.
- **STABILIZERS:** Ensure stable drilling.
- **BIT SUB:** Connects the drill bit to the drill string.
- **JARRING DEVICES AND SHOCK SUBS:** Mitigate shocks during drilling.
- **BUMPERS:** Protect components of the drill string.

These tools are crucial for efficient and effective drilling operations, ensuring optimal performance and reliability.

2. MANPOWER SERVICES:

GIPSA SA responds to the needs of oil and gas operators by providing technically qualified professionals, both Angolan and expatriate. Our services encompass:

- **RECRUITMENT:** Identification and selection of qualified personnel.
- **VISA MANAGEMENT:** Ensuring a smooth entry process.
- **MEET & GREET, AIRPORT TRANSFERS:** Reliable transportation services.
- **TRANSPORTATION AND ACCOMMODATION:** End-to-end workforce deployment solutions.

Our manpower services go beyond recruitment, offering comprehensive end-to-end solutions.

SONILS BASE

At the Sonils Base, GIPSA SA maintains a Yard and Warehouse facility. This strategic presence not only grants us enhanced oversight over equipment storage but also fosters proximity to our customers and partners, thereby boosting the efficiency and productivity of our operations.

GIPSA SA, Logistic base is located in: Sonils Base (Gate 3), Luanda Port, Rua Kima Kienda, Boavista - Luanda, Angola

3. SCAFFOLDING SERVICES:

GIPSA SA's Scaffolding Division serves the oil and gas industry in Angola. Our commitment is to deliver quality service following OSHA guidelines and client-specific requirements. Key features include:

- **EFFICIENT PERI SYSTEM:** Known for strength and lightness.
- **REDUCED ASSEMBLY AND DISASSEMBLY TIME:** Improving efficiency.
- **VARIOUS TYPES OF SCAFFOLDING:** Adapted to industry needs.

Our highly trained scaffolders ensure efficiency, resulting in cost savings for our clients.

4. BLASTING & PAINTING SERVICES:

GIPSA SA is an experienced contractor in industrial blasting and painting. Our services include:

- **TECHNICAL SUPPORT:** Comprehensive project support.
- **SURFACE PREPARATION:** Ensuring quality coatings
- **COATING APPLICATIONS:** Application of protective layers
- **QUALITY CONTROL:** Rigorous inspection processes.

Our corrosion engineers and certified inspectors specialize in asset integrity surveys, ensuring planning, evaluation, and material selection to meet customer requirements.

5. CHEMICAL SUPPLIES:

GIPSA SA offers a comprehensive array of chemical supplies tailored for the upstream, downstream, and various industrial applications. Our optimized chemistry ensures maximum drilling efficiency, production, and asset protection. Explore our offerings across different segments:

- **DRILLING LUBRICANTS, FOAMERS, FORMATION STABILIZERS:** Upstream applications.
- **REFINING:** Asphaltene Dispersants, Demulsifiers, Corrosion Inhibitors.
- **PETROCHEMICAL:** Arbyl Scavengers, Antipolymerants, Finished Product Stabilizers.
- **INJECTION, AUTOMATION, PIPELINE AND TERMINAL:** Tested and approved products for asset protection and product quality.

Our chemical supplies are designed to enhance operational efficiency across the energy value chain.

6. PLANT SUPPLIES:

Welcome to our diverse range of Plant Supplies, curated to meet the varied needs of your industrial operations. We take pride in offering top-notch products and services across multiple categories, ensuring efficiency, safety, and reliability throughout your plant processes. Explore our extensive offerings:

- **BOLTING & TENSIONING:** Precision tools for secure and efficient joint assembly.
- **ELECTRICAL:** High-quality electrical components and solutions for industrial applications.
- **INSPECTION & NON-DESTRUCTIVE TESTING:** ACutting-edge technologies for thorough inspection without compromising structural integrity.
- **TOPSIDE EQUIPMENT:** Essential tools and equipment for above-ground operations.

- **BOLTING & TENSIONING:** Precision tools for secure and efficient joint assembly.
- **ELECTRICAL:** High-quality electrical components and solutions for industrial applications.
- **INSPECTION & NON-DESTRUCTIVE TESTING:** Cutting-edge technologies for thorough inspection without compromising structural integrity.
- **TOPSIDE EQUIPMENT:** Essential tools and equipment for above-ground operations.
- **SHEET METAL:** Quality sheet metal products catering to diverse industrial requirements. Painting & Blasting, Gas Detectors, Water Jetting, Scaffolding: Comprehensive solutions for surface preparation, safety, and efficient operations.
- **SHIPPING AND LOGISTICS:** Efficient logistics services for timely and secure transportation.
- **TECHNICAL SUPPORT, GENERATORS, VSD PORTABLE CONTAINERS:** Dedicated technical support to ensure optimal product performance.
- **GENERATORS:** Reliable power generation solutions to meet your energy needs.

Our commitment to quality, safety, and innovation makes us the ideal partner for your plant supply needs

7. ENGINEERING SERVICES:

Welcome to our Engineering Services, where precision, reliability, and innovation converge to meet the diverse needs of your industry. Our wide array of services ensures that your operations run seamlessly, with a focus on quality and efficiency. Explore our specialized offerings:

- **SHEET METAL:** Quality sheet metal products catering to diverse industrial requirements. Painting & Blasting, Gas Detectors, Water Jetting, Scaffolding: Comprehensive solutions for surface preparation, safety, and efficient operations.
- **SHIPPING AND LOGISTICS:** Efficient logistics services for timely and secure transportation.
- **TECHNICAL SUPPORT, GENERATORS, VSD PORTABLE CONTAINERS:** Dedicated technical support to ensure optimal product performance.
- **GENERATORS:** Reliable power generation solutions to meet your energy needs.

Our commitment to quality, safety, and innovation makes us the ideal partner for your plant supply needs.

CORPORATE RESPONSIBILITY:

In addition to our robust portfolio of services, GIPSA SA takes pride in its commitment to corporate responsibility, occupational health and safety, quality assurance, and environmental responsibility. These initiatives are integrated into our ethos, ensuring a sustainable and responsible approach to our operations.

OUR TRUSTED PARTNERS:

Success is a collaborative effort, and GIPSA SA collaborates with a network of trusted partners who contribute to our collective achievements. These partnerships extend our capabilities, foster innovation, and enable us to deliver comprehensive solutions to our clients.

GIPSA SA invites you to explore a world where each service is meticulously designed to ensure unparalleled quality, safety, and innovation in the energy sector. From drilling to engineering, from manpower services to environmental responsibility, we are your primary partner in shaping the future of energy. Choose GIPSA SA for services that redefine excellence in the energy sector.
